SCHELTEMA TRAILER

REDEFINING THE HEAVY HAUL INDUSTRY

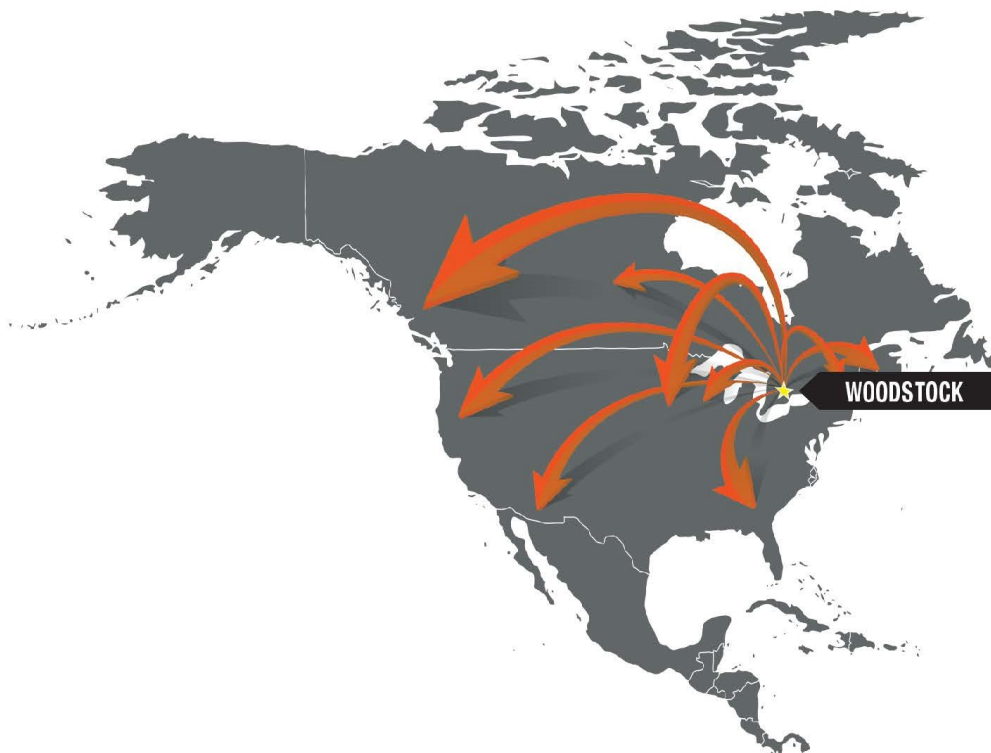

Scheltema Trailer recently completed the purchase of a 180,000 square foot facility in Woodstock, Ontario in order to expand our production capacity to keep up with demand. Our fully outfitted facility maintains consistent high standard of quality manufacturing. We take pride in manufacturing a high quality and robust product that is sure to exceed the customers' expectations.

Innovation & Design

Our highly experienced team is continuously striving to exceed industry standards through innovation and design.

LOCALLY OWNED AND OPERATED

SCHELTEMA TRAILER

OUR PRODUCTS

Scheltema Trailer is a family owned Canadian company based out of Woodstock, Ontario. Formed in 1977, Scheltema Trailer continues to manufacture a variety of premiere speciality semi-trailers, including on-and-off highway hydraulic detachable, flat deck and steerable trailers. Priding itself on its engineering capabilities, Scheltema Trailer also specializes in customizing the heavy-haul industry by serving the 50-ton+ market by designing trailers with capacities up to 200 tons.
